

Levelland Delinting

2009 Cotton Replant Relief Program

Replant Relief Program for Seed Drop Zone E and D

Levelland Delinting Inc. (All-Tex Seed) will provide **100%** All-Tex brand cotton seed to farmers *who replant a failed or lost stand of All-Tex-brand cotton with All-Tex-brand cotton seed*. This program is in effect on all All-Tex cotton seed varieties **except conventional Seed**, for the 2009 planting season.

Farmers seeking a Replant Refund should contact their Local Dealer or All-Tex Seed before tilling or replanting any fields associated with a Replant Refund request. **On-site verification by Dealer or an All-Tex sales representative must be completed prior to replanting in order to be eligible for reimbursement.** All replant claim forms must be filled out and returned to All-Tex Seed by July 15, 2009.

Upon approval of any replant claim form a check will be mailed to the Dealer where the seed was originally purchased. Seed may not exceed quantity used to plant the failed or lost stand.

All-Tex seed makes no warranty or guarantee regarding availability of specific varieties for replanting purposes. *If the original-planted variety is not available another All-Tex-brand cotton variety must be substituted not to exceed original value of first planting.*

Recipients of free replant seed under the terms of this program are responsible for the payment of any and all technology fees associated with the free seed received.

Claims must be submitted to All-Tex Seed no later than July 15, 2009. Program will be discontinued thereafter. Claim forms can be down loaded from All-Tex's website.
